

# DATA & TECH FOR ALL

**MARCH 4-8**

**#DataTech4All**

## A week of events democratizing data science and technology at Berkeley and beyond

Throughout campus, initiatives are underway to bring a variety of experiences, perspectives, knowledge, and talent to data science, computer science, statistics, and related technical fields. At the inaugural Data & Tech for All Week, from March 4-8, we invite you to join us in celebrating this work across campus.
