Data Science Peer Advising Program

Peer Advisor
Fall 2019 Application

The Division of Data Science and Information is looking for peer advisors to serve as the first point of contact for students who are interested in the major and data science in general. The peer advisors will provide advice, support, and mentorship on a broad range of topics including but not limited to:

- Student involvement and extracurriculars
- Undergraduate research opportunities
- Tutoring/studying services
- Schedule planning and course recommendations
- Knowledge and experience of major courses

Position Details
- NOTE: This position is unpaid, with opportunities for advancement to paid leadership positions
- You may be eligible to earn units depending on your hourly commitment
- Minimum of 4-6 hour weekly commitment
- Preferred: able to commit to both Fall 2019 and Spring 2020 semesters

Qualifications
Here are a few of the qualifications that we are looking for in an ideal candidate:

- Cumulative GPA of 2.5 or higher
- Completed all or most of the lower-division Data Science major requirements
- Completed at least two upper-division courses towards the Data Science major requirements
- Ability to understand and adapt to the complexities of an evolving major program
- Excellent interpersonal and communication skills
- Ability to relate effectively with groups and individuals from diverse backgrounds
- Ability to maintain confidentiality, discretion, and objectivity in all matters

Apply here. If you have questions about the application, please email ds-peer-advising@berkeley.edu.
